

Kemmerer Industrial Park

The Kemmerer Industrial Park is the newest addition to the Kemmerer and Diamondville asset portfolio. The park is conveniently located at the intersection of US Highway 30 and US Highway 30 Alternate and next to the Port of Entry. It is well positioned to have products on Interstate 80 in under an hour or at the Kemmerer airport in under 10 minutes.

The park itself has over 60 acres of flat, utility-ready land, zoned for light industrial operations. Highlighted in green below, the site is ready to be fully-customized to fit your unique, light industrial needs.
